**Traffic Concerns around the School:** I would firstly like to bring to attention the growing concerns from teachers and community members regarding traffic around the school, in particular in the afternoons when students are being picked up from school. I would ask that ALL families and community members pay close attention to traffic signs and rules around the school.

We have a growing incidence of community members performing three point turns during the busiest time of the afternoon, and even performing three point turns across the crossing whilst students are crossing the road.

Additionally, parents are reminded not to call their children to run across the road through traffic as it is a dangerous risk and is not teaching our children to use the crossing correctly.

Here at Denistone East the safety of all students, families and community members is of highest priority. We ask that all community members support the school in ensuring it is a safe, secure and happy environment.

**Walk Safely To School Day:** I would like to take this opportunity to thank Jenn Clifton, the P&C Traffic Committee and all parents who volunteered their time last Friday 23 May to make the Walk Safely to School Day a huge success. It was wonderful to see so many students and families commit to the cause and raise awareness for the campaign.
Family Accounts were mailed to your home address in Weeks 3 & 4 this term. Please contact the office if you did not receive it, or if you have any queries, 9874 6678.

Parent Teacher Interviews and Semester 1 Reports: A note will be going home this week about parent teacher interviews in Week 9. Interview days will be as follows:
Monday 23 June – Stage 2
Tuesday 24 June – Stage 3
Wednesday 25 June – Early Stage 1
Thursday 26 June – Stage 1
Semester 1 reports will be sent home on Friday 20 June

Zone Cross Country Carnival: The zone cross country carnival was held last Thursday 22 May at Meadowbank Park. Congratulations to all the students who represented Denistone East at the carnival, particularly for your outstanding behaviour and sportsmanship. Denistone East was 1st overall and this is an outstanding achievement. The regional cross country will be held on Thursday 12 June at Gosford Race Course. We have a number of students who will be competing on the day. We wish these students all the very best.

Preliminary State Finals for School Aerobics: The School Aerobics Competition was held on Sunday 25 May at Sutherland Entertainment Centre. Our school was represented by 5 teams, 2 boy teams and 3 girl teams. Overall, we had one team placed first, 2 teams placed second and 2 teams placed fourth. All teams are eligible for the State Final to be held at the same venue on Sunday 15 June.

On behalf of the school, I would like to congratulate all the students from these 5 teams for their outstanding achievement. Additionally, the students had exceptional manners and showed excellent sportsmanship. All students are a credit to themselves, their families and the school. We look forward with anticipation to the State Final and wish our teams the best of luck.

I would also like to sincerely thank Mrs Hyland, Mrs Biro, Miss Besson and Miss Kenney for all their commitment and hard work over the weeks. These ladies have given up mornings, lunch times and weekends to train the teams and support the teams on Sunday.

Science and Technology Curriculum: The High Performance unit of the Department of Education and Communities is developing an online multimedia interactive assessment for Science and Technology Stage 3 as part of work to expand resources for assessing a broader range of student learning. The test, based on the model of the current Essential Secondary Science Assessment program for Year 8, will provide teachers, schools and parents with diagnostic information and resources for the new K-6 Science & Technology syllabus due for implementation in 2015.

As part of the development, Denistone East Public was invited to participate in the first preliminary trial of this new assessment. Our Year 6 students completed a one hour online Science and Technology test which incorporated videos, audio and graphics during Week 3 using the iPads. The students were highly engaged in the assessment and enjoyed participating in the trial.

Stage 3 Science Days: Last Monday and Tuesday, Stage 3 participated in Science Days where they were involved in hands on activities over the two days related to their unit ‘Physical Phenomena’. On behalf of the students and teachers, I would like to thank Mr Hamish Duff and Mr Kevin Lee who joined Stage 3 over the two days and were guest speakers, sharing their extensive knowledge with the students and providing demonstrations on circuits and switches.

I would also like to thank the many Stage 3 parents who attended over the two days and joined in the fun back in the classrooms. Your support was greatly appreciated by all Stage 3 teachers and students.

Reforms to P&C Federation: The NSW Parliament has introduced legislation to reform the NSW Federation of Parent and Citizens Associations, which has suspended operation pending Supreme Court action. While these reforms will not affect the day-to-day operation of individual school P&Cs, they will introduce a new executive structure which will ensure the Federation operates as a modern and representative body on behalf of school P&C Associations.

Each school’s P&C Association will be asked to vote for councillors and delegates who will represent their electorate at the Federation’s Annual General Meeting and councillors who will serve on the Federation’s Board of Management. More information will be available on the Department’s website at http://www.schools.nsw.edu.au/gotoschool/a-z/involvement.php.

**PBEL:** Congratulations to all the safe, respectful, learners who earned their bronze certificates and badges last week. The PBEL focus for Week 5 is being respectful during eating time at recess and lunch. Teachers will be looking for students who clean up their area and put all rubbish in the bin as well as waiting to be dismissed by the teacher before going to play. Teachers are looking forward to handing out lots of strive cards this week to students who are being respectful to others and our environment.  
*Renee Blue*

The bell song for this week Hey Ya by OutKast was chosen by Miss Stark  

**Senior Choir:** Last Thursday, the Senior Choir had the privilege of performing at Eden Gardens’ Biggest Morning Tea. We’d like to congratulate the choir on an excellent performance of three songs. They sang so beautifully and brought smiles to the faces of those in the audience. Zach C and Wenzie L won prizes for the best hat designs and all students had the opportunity to plant a daffodil in their gardens and enjoy a delicious morning tea. All students should be very proud of themselves for representing Denistone East Public School in such a respectable way. Well done everyone!  
*Jo Sartori and Jo Tanner*

**Aerobics:** Yesterday at Sutherland Entertainment Centre the School Aerobics Preliminary Finals were held. We entered five Aerobics teams in the competition and all students gave their best and achieved excellent results. The B Girls came 2nd, C Girls 4th, Junior Girls 4th, A Boys 1st and B Boys 2nd. As coaches, we couldn’t be prouder of the way the students performed and the sportsmanship and encouragement they showed one another. All students were a credit to their parents and Denistone East Public School. Now we prepare for the State Finals on Sunday 15 June.  
*Kathryn Biro, Judy Hyland, Allison Kenney and Lucy Besson*

On 25 May, 5 Denistone East teams participated in an aerobics competition at Sutherland Entertainment Centre. All our teams were pumped and ready to show the judges our talent. As each of the teams came on stage we cheered for them at the top of our lungs, with pride. At the end of the day we were happy as all our teams got through to the state competition. It was a truly exciting and memorable moment.  
*Bridgett and Mim.*
Stewart House Fundraiser- May 29: Just a reminder that our Stewart House fundraiser is this Thursday, May 29. The dolphins are selling for $4 and rings are $3. All profits go to Stewart House. Try to bring the correct amount of money on the day. Stocks are limited to what we have ordered so if children miss out, it cannot be helped. We would prefer not to sell multiple amounts of items to students unless everyone has had a chance to purchase. Kindergarten will be able to buy in class on the morning and for Years 1-2 at recess or lunch. Years 3-6 will be purchasing at lunch time only. The SRC are helping to promote and sell these.

Thank you for supporting this.

Mrs Owen and Miss Kirollos

My School without Bullying: In March, Stage 3 participated in a poster competition by Interrelate with the theme My School without Bullying. There were 7343 entries from 92 schools in NSW. Last Wednesday, Kai (6S) was recognised at an award morning tea where his entry was highly commended. His poster is being printed and will be used in conjunction with an education program to encourage positive behaviour. Congratulations

Liz Stewart

Casual Friday Garden Club (CFGC): is on this Friday 30 May.
This week at Casual Friday Garden Club, we planted 9 native plant seedlings in the Year 4 garden area and watered them. This is to build up our native bush habitats at school and beautify the gardens. Children get the opportunity to plant so be involved by coming along on Friday afternoons at 3pm for 15-20 minutes.

The progress we are making planting seedlings on school grounds counts towards our school's REEN challenge score which could win us $2000 in landscaping services and a $500 Bunnings voucher. Look out for sustainable ways to pack your child's lunches next week.
Meet at Kindy Corner at 3pm – 3.30pm, to help us plant more seedlings and water them. Please bring drink bottles, gloves and garden tools. All children must be supervised by their parent or carer.
