**Di Barnes Retiring:** Mrs Di Barnes, our Deputy Principal has announced that she will be retiring at the end of Term 2. On behalf of the teachers, students and Denistone East community, I would like to wish Di all the very best in her retirement years and thank her for all her hard work, dedication and commitment over the last few years. The school’s staff will also be hosting a farewell for Di on Friday 27 June.

**Aerobics Regional Finals:** Congratulations to our 5 aerobics teams who participated in the State Aerobics Finals at Sutherland Entertainment Centre on Sunday 15 June. All the teams trained incredibly hard leading up to the finals and represented our school with great pride and sportsmanship. The Junior Girls team comprising of Charlotte, Yunji, Maggie, Elena, Evelyn, Sarah, Andrea, Erin and Nixie were placed 4th overall. The C Girls team included Meg, Bridgett, Molly, Chloe, Emily, Olivia, Georgia and Tiya and were placed 3rd overall. Both team’s routines were excellent on the day and the girls deserve their outstanding result. Our A Boys, B Girls and B Boys team achieved fantastic results which will see them all participate at the National Aerobics Championships on the Gold Coast on 9 and 10 August. Congratulations to Denzel, Sam, Jonathan and
Jay for their 1st place and to Miriam, Sousada, Ella, Eleanor, Stephanie, Dominique and Freya for their 1st place. Additionally, congratulations to Zachary, Julian, Ethan, Tamas and Steven for their 2nd place. We wish the 3 teams well as they prepare for the National Competition. It is an exciting time for these students and the coaches as they prepare to take on other teams from over Australia.

A big thank you to Mrs Hyland, Mrs Biro, Miss Besson and Miss Kenney for their continued hard work and commitment to the students and our school.

**Kings Rd ‘Go 40 For Me’ Petition:** All students should have received a note last week to collect 9 signatures for the Kings Rd ‘Go 40 For Me’ petition. The school, along with families and the local community will continue to be committed to ensuring the safety of all students. Petitioning to make Kings Rd a 40km zone is a way we can work together to improve student safety walking to and from school. I urge all families to support the petition by collecting as many signatures as possible. We would like as many signatures returned to the office by Friday 20 June or Monday 23 June at the very latest.

PBEL News: Congratulations to the safe and respectful learners who are earning their Bronze or Silver Certificates or Badges this week. It is wonderful to see all the children wearing their badges with pride after receiving them at their assembly. Keep up the great work.
The PBEL Focus this week is Before School.
A reminder of the before school rules:-
SAFE - quiet play begins after the bell, stay seated until the bell rings if you arrive early, wear a hat.
RESPECTFUL - be considerate of those around you, share the space and only small balls to be used.
LEARNER - be organized and ready to learn, start moving to lines when the music starts.
Don't forget all teachers have stride cards for those children who we ‘catch’ doing the right thing.

Chriss Roberts

Help With Reading Strategies: Daily reading of your child's home reader during early years of primary school is very important. Many parents have asked for strategies to help with their instruction during these reading sessions. Each week in the newsletter I will be introducing a new strategy to help with your child's reading. This week the strategy is Introducing the new book to your child. It is very important that before your child starts to read their reader that they get a sense of the story and its main idea. Try doing a picture walk through of the story first, tell your child any proper nouns (name of characters or places) and any words you think they might find tricky, we call this ‘taking the bugs out’. Once you feel they have a good understanding of what the story is about, usually drawing attention to the problem in the story, where the story is set and how the problem is solved you can ask your child to start reading. Have a go at doing this with your child’s readers this week; you will be amazed to see how much better they read when they have an understanding of the meaning of the story. Happy reading!

EnrichED: Fashion Workshop: A select group of students from Year 4 and 5 who expressed their interest in fashion and have a talent for design participated in a fashion workshop to hone their skills and work with passionate high school students studying the field at Ryde Secondary College. The culmination of their work will be showcased this Friday night at Ryde Secondary College. Here is a comment from a passionate Year 4 DEPS student who attended:

I was excited to be selected to participate in the fashion revolution workshop held at Ryde Secondary College recently. I really enjoyed drawing my fashion design and learning the skills to make a tutu. We had fun decorating our shirts with glitter and being interviewed by the Year 11 textile students. We learnt how to professionally walk down a catwalk and the art of accessorising. The Year 11 High School Students were very inspiring. The designs they have made are very creative and fun. I am looking forward to the fashion revolution show on Friday June 20 where we get to show off the designs we made. Alyssa M 4RB

Thank you Alyssa and well done to all the students who participated and all the best for the fashion show.

EnrichED: Science Workshop
A letter will be sent home today to students who would like to place an Expression of Interest to attend a 2 hour Science workshop at Marsden High School. The successful applicants, based on their EOI and school performance will be engaged in an exciting science workshop hosted by high school students 3 September 2014. These are due back Wednesday 18 June this week. The workshop is completely free, but if there is enough interest, Denistone East will organise a bus, which will add a small fee per child. We look forward to seeing Denistone East take part in a wonderful initiative at the same time as supporting one of our local high schools.

Sarah Williams, EnrichED Team

Debating: Another victory for Denistone East when they successfully argued against West Ryde Public School on home ground last Thursday that Every Student Should Own a Mobile Phone. Their rebuttal was impressive and despite a tight schedule and an impressive stand from West Ryde, Tamas, Onelii, Dominique and Kai were able to
pull it together with conviction and great teamwork. Well done to Ashwin as our chairperson and all the best for the next debate to take place in Week 9, when they will argue against the statement *There Should be No Competitive Sports in Schools* (at Melrose Park Public School).

*Sarah Williams & Lee Magri, Debating Coaches*

**Library News:** As Term 2 finishes, all students in Years 2-6 will be able to borrow for the holidays as long as they don’t have overdue books. For older students, any thicker books that take 2 weeks to read are not considered overdue; they just need more time to read! With the library renovations continuing into the beginning of Term 3, it is possible that borrowing will not resume straight away, so it is important that students have the opportunity to keep reading throughout this time. When the Teacher Librarians ask all their classes if they use the public libraries, it is very encouraging that the majority of students are using these wonderful facilities. Visiting a public library during the school holidays would be an excellent idea. All this will help students keep reading in the holidays.

*Jill Masters, Teacher Librarian*

This week’s bell song *The Lion King’s Hakuna Mattata* was chosen by Miss Besson and Miss Kenny.

**Sport News**

**Netball:** Senior A’s: It was an aggressive game against Boronia Park and even though the score was 12-7 to Boronia Park, our girls never stopped trying. Player of the Match was Meg who always tried to intercept and used every opportunity. *Freya*

Senior B’s: We had a strong game and our passes were much better than previously. We had better defence and shooting today. I picked Olivia as Player of the Match because she broke away from her player and had some good passes. *Harriet*

Junior A’s: Today we played against Boronia Park. We won 13-5. Player of the Match was Allanah. *Cara*

Junior B’s: We played against Putney. We lost by 3. Player of the Match was Cleo. *Sophie*

**Tiger Tag:** On Friday Denistone played our bus buddies Eastwood. The girls outplayed Eastwood with Hera and Emma scoring two tries each and the final score being 4-2. The boys had the potential to win the match but had difficulty containing some of the faster playmakers from Eastwood eventually losing 9-5.

*James Hutchinson*

**Girls Soccer:** Girl’s A played Boronia Park resulting in another win, 3-1, and are climbing their way up the leaderboard. Player of the Match was Sousada, and Sofia received Sportsmanship.

Girl’s B played Boronia Park B, putting in some great defence, but losing 3-0. Player of the Match was Sophie, and Sportsmanship was awarded to Akshaya.

**Boys Soccer:** Junior A’s played a tough game against Ryde East A, winning 4-3. Liam was Player of the Match, and Jeremy was awarded Sportsmanship.

Junior B’s had a convincing win over Ryde East B, 12-0. Fantastic work boys! Player of the Match was Cooper, and Sportsmanship went to Dominic.

The seniors were evenly matched against Ryde East, coming through with a win 2-1. Will was Player of the Match and Cameron received Sportsmanship.

*Allison Kenney*

**AFL:** Seniors: The team came out strong and controlled the game from the start. Score: Denistone East - 44 to Ryde East – 0. Sportsmanship award to Tamas T. Skills award to Yianni F.

Juniors A: Similar to the Seniors the team seemed to be at their best today with a smashing win over Boronia Park.

Score: Denistone East - 74 to Boronia Park – 0. Sportsmanship award to Alex H. Skills award to Jack C

Juniors B: The game was hard fought and was thought to have been dominated by Denistone. Unfortunately due to some controversial score keeping it was decided in the end that Hunters Hill would be awarded the win. Score: Denistone East - 20 to Hunters Hill – 36. Sportsmanship award to Edison C. Skills award to Aiden A.
