**Open Day:** 2014 marks the 60th anniversary of the first Education Week. The tagline for the original 1954 Education Week was ‘Lighting the way to a better world’ and the slogan will be used for this year’s celebrations. As part of the celebrations, we will be examining our school’s proud history and examining education and changes to education over the last 60 years.

As part of our celebrations, we will be having an Open Day on Wednesday 30 July. Parents and family members are invited to visit classrooms from 10-10.45am, followed by a morning tea. Our Year 6 students will conduct a Pedlars’ Parade in which they will be selling small cakes on both the Lovell Road site and the Jacaranda site. We look forward to having our families join in the celebrations.

**Staffing Update:** We have been advised by staffing that the vacant Deputy Principal position will be filled through merit selection. I am in the process of forming a panel which will include a P&C Representative, Community Representative, Staff Representative and a Deputy Principal Representative from another school. We anticipate the process to fill the vacancy will be over the term.
Mrs Anne Thompson who was working at the school on Wednesdays and Thursdays is on leave for the rest of the year. We are pleased to announce that Miss Jess Stark will continue in the RFF role on Thursdays and Fridays for the remainder of the school year.

‘Go 40 For Me’ Petition: Congratulations and a big thank you to our Traffic Committee led by Jenn Clifton and the P&C for all their time and effort with the ‘Go 40 For Me’ Petition last term to make Kings Rd a 40km zone. As mentioned last week, the petition was successful with a win for student safety around the school.

Year 5 Drama Night: Our Year 5 students and teachers have been working incredibly hard over the last term to put together a Year 5 Drama Night which will be held on Tuesday 22 July. We look forward to seeing all our Year 5 families on Tuesday night commencing at 7pm (children to arrive at 6.15pm) to showcase the wonderful talents of our students.

Opportunity Class Test: Good luck to all our Year 4 students who are sitting the Opportunity Class Placement Test on Wednesday 23 July at Marsden High School. All students should have received information regarding the venue and time last week. If you have any questions regarding the Opportunity Class Placement Test, please do not hesitate to contact the school office.

Media Outside School: Some families might have been aware that John Robertson, Politician and State Member for Blacktown was filming a campaign outside the school grounds last Thursday afternoon. The campaign used Denistone East PS as a backdrop because Mr Robertson had previously attended the school. Permission was sought from State Office and no students or families from Denistone East PS will be used in the campaign.

Help with Reading Strategies: Each week I will be providing strategies to help parents with their instruction during daily home reading. We have been looking at fostering active problem solving on text. This week I am concentrating on students searching for meaning in text by cross-checking different types of information from the text after they notice something isn't right.

The following are examples of cross-checking behaviours children use.

- Repeating words to match their language to the number of words in the text.
- Tries again using a different source of information but may not be correct (looks at the picture, the first letter of the word)
- Self corrects using a different source of information

Some supportive statements or prompts to direct the child to use what they know to help with their cross checking is as follows–
- Go back and match with your finger
- It could be….but look at….  
- That sounds right but does it look right?  
- I like the way you are checking with the picture…what do you see?  
- It starts with that letter but does it make sense  
- Could we say it like that?

**The Premier’s Spelling Bee** was introduced in 2004 as a fun and educational way for primary school students to engage in spelling. The program includes activities to encourage all students to engage with spelling and to promote improved literacy in combination with the English K-6 Syllabus. In Term 3, all students in Years 3 – 6 will participate in the Premier’s Spelling Bee. This will include classroom activities, written and oral tests, culminating in our school final. Two students from Stage 2 and two students from Stage 3 will proceed to the Regional Final and represent Denistone East. Word lists are now available at [https://www.artsunit.nsw.edu.au/speaking-competitions/2014-premiers-spelling-bee](https://www.artsunit.nsw.edu.au/speaking-competitions/2014-premiers-spelling-bee) however, due to copyright issues we are not permitted to publish the password online. Please refer to the note sent home with your child today, to access word lists. Good luck to all students.

Well known children’s author **Mark Greenwood** visits **Monday 4 August** to inspire and motivate students in Years 3-6 to read and become engaged with history and learning.
