**Performing Arts Concert:** Our school Performing Arts Concert was held last Wednesday night. The talents showcased were amazing and it was a truly magical night of entertainment. Every student, parent and teacher who participated should be extremely proud, not only of the night, but also the dedication and hard work throughout the year.

Congratulations to all our talented students who worked hard throughout the year in their different creative arts groups. The performances you all gave were incredibly enjoyable to watch.

I would like to thank all the wonderful families who supported the school by attending last Wednesday night’s performance. Your commitment to the students and the school is appreciated and respected.

A huge thank you as well to all the teachers who have been responsible for the creative arts groups, but also to the many teachers who supported on the night through various roles.
Cyber Safety: Cyber Safety is one of the many concerns we take very seriously at school. We have had an incident where students at our school have received highly inappropriate messages and links over the last few weeks through their KIK Messenger account. KIK Messenger is a free smartphone messenger application that allows users to send texts, pictures, videos and sketches. It is an app that is not appropriate from primary aged students.

KIK and Instagram are two common apps that students from our school are using on their personal devices that potentially can have them in contact with strangers. We urge parents to discuss what apps their child is accessing and strongly advise that KIK and Instagram be deleted from student personal devices.

For more information regarding cyber safety, app safety, cyber bullying and protecting personal devices, please visit the following website: www.thinkuknow.org.au.

Matilda the Musical: Matilda the Musical is based on the beloved novel by best-selling author Roald Dahl. It is the story of an extraordinary girl who dreams of a better life. Armed with a vivid imagination and a sharp mind, Matilda dares to take a stand and change her destiny. The Royal Shakespeare Company will be holding auditions in the upcoming months. If you would like any information regarding the auditions and casting brief, please contact the school office.

When lunch comes home ... again: Almost nine out of 10 Australian parents say children's resistance is a major obstacle in their efforts to provide a healthy diet, and in many cases school lunches are one of the battlegrounds. But it's a battle families can do without and there are some simple steps to help avoid it.

Award Recipients

Your child will only be awarded their badge at assembly if their name has appeared in the newsletter. Please make sure you check the newsletter for your child's name before coming to an assembly. The cut off for badge awards appearing in the newsletter is on the Monday of assembly week, this means that any child reaching their badge after this will need to wait for the following assembly to receive their badge.

Kindergarten Enrolments: Any parent who is yet to complete an enrolment form, or who is required to submit further documentation should contact the school office to finalise enrolment requirements.

PBEL: Congratulations to all the safe, respectful, learners who earned their bronze and silver awards last week! The PBEL focus for Week 9 is being safe and respectful in the GLOBE. The globe is an area of the playground where you can sit and talk with your friends or play quiet games, not a place for ball games, running or standing on picnic tables. Teachers will be awarding strive cards to students who are sitting at all times, using quiet voices and wearing a hat as well as keeping the area clean, sharing the area and playing only QUIET games. Remember to cooperate with others, try and solve problems yourself and seek help when needed.

Jessica Comito, PBEL Coordinator

Library: As the end of Term 3 approaches, library books borrowed this term are due. Next week, Week 10, students in Years 2-6 who have returned all their books are encouraged to borrow for the holidays. Parents please do not take school library books away on overseas holidays.
Kindergarten & Year 1 students do not borrow during the holidays. Their library bags will be kept in the class crate in their classroom ready for Term 4 Week 1. We hope that all students take the opportunity of the extra time during the holidays to do some more reading. Our public libraries are a wonderful place to explore in the holidays. THANK YOU to the parents who have assisted in the library each week this term with returning, reshelving and covering new books. Your ongoing regular support is greatly appreciated.

CASUAL FRIDAY GARDENING CLUB (CFCG): On Friday we spent some time in the vegetable garden. Mrs Ricketts and Mrs Shearer planted seeds a few months ago and with all the rain the seedlings are growing well. We did some weeding and spaced out some of the seedlings, spread some mulch and put up mesh to protect the plants. We also started to fill the new compost bin. The garden currently has baby spinach, lettuce, snow peas, parsley and potatoes growing. We will be at the vegetable garden again this Friday.

WHEN : Friday 12 September 3pm
WHERE: Vegetable garden patch near demountable buildings
BRING: Garden gloves, garden tools and drink bottles
All children must be supervised by their parent or carer.

Please respect our gardens and ask your children to place rubbish in the bins or to take rubbish home to recycle or place in your bins at home.

Thank you!
